

# **SAFETY DATA SHEET**

Version 6.12 Revision Date 09/06/2024 Print Date 09/07/2024

# SECTION 1: Identification of the substance/mixture and of the company/undertaking

## **1.1** Product identifiers

|     | Product name                                       | :  | 1,4-Cyclohexadiene  |  |
|-----|--|----|---|--|
|     | Product Number<br>Brand<br>CAS-No.                 | :  | 125415<br>Aldrich<br>628-41-1   |  |
| 1.2 | Relevant identified us                             | es | of the substance or mixture and uses advised against  |  |
|     | Identified uses                                    | :  | Laboratory chemicals, Synthesis of substances   |  |
|     | Uses advised against                               | :  | The product is being supplied under the TSCA R&D Exemption (40 CFR Section 720.36). It is the recipient's responsibility to comply with the requirements of the R&D exemption. The product may not be used for a non-exempt commercial purpose under TSCA unless appropriate consent is granted in writing by MilliporeSigma. |  |
| 1.3 | B Details of the supplier of the safety data sheet |    |   |  |
|     | Company  | :  | Sigma-Aldrich Inc.  |  |

# **SECTION 2: Hazards identification**

# 2.1 Classification of the substance or mixture

### GHS Classification in accordance with 29 CFR 1910 (OSHA HCS)

Flammable liquids (Category 2), H225 Germ cell mutagenicity (Category 1B), H340 Carcinogenicity (Category 1A), H350 Specific target organ toxicity - repeated exposure (Category 1), Blood, H372

Aldrich - 125415

1.4

Page 1 of 11

Short-term (acute) aquatic hazard (Category 3), H402

For the full text of the H-Statements mentioned in this Section, see Section 16.

# 2.2 GHS Label elements, including precautionary statements

Pictogram

| Signal Word              | Danger   |
|--------------------------|--|
| Hazard Statements        |  |
| H225                     | Highly flammable liquid and vapor.   |
| H340                     | May cause genetic defects.   |
| H350                     | May cause cancer.  |
| H372                     | Causes damage to organs (Blood) through prolonged or                                 |
|                          | repeated exposure.   |
| H402                     | Harmful to aquatic life.   |
| Precautionary Statements |  |
| P201                     | Obtain special instructions before use.  |
| P202                     | Do not handle until all safety precautions have been read and understood.            |
| P210                     | Keep away from heat/ sparks/ open flames/ hot surfaces. No smoking.                  |
| P233                     | Keep container tightly closed.   |
| P240                     | Ground/bond container and receiving equipment.                                       |
| P241                     | Use explosion-proof electrical/ ventilating/ lighting/ equipment.                    |
| P242                     | Use only non-sparking tools.   |
| P243                     | Take precautionary measures against static discharge.                                |
| P260                     | Do not breathe mist or vapors.   |
| P264                     | Wash skin thoroughly after handling.   |
| P270                     | Do not eat, drink or smoke when using this product.                                  |
| P273                     | Avoid release to the environment.  |
| P280                     | Wear protective gloves/ protective clothing/ eye protection/ face protection.        |
| P303 + P361 + P353       | IF ON SKIN (or hair): Take off immediately all contaminated                          |
|                          | clothing. Rinse skin with water/ shower.   |
| P308 + P313              | IF exposed or concerned: Get medical advice/ attention.                              |
| P370 + P378              | In case of fire: Use dry sand, dry chemical or alcohol-resistant foam to extinguish. |
| P403 + P235              | Store in a well-ventilated place. Keep cool.   |
| P405                     | Store locked up.   |
| P501                     | Dispose of contents/ container to an approved waste disposal plant.                  |
|                          |  |

# 2.3 Hazards not otherwise classified (HNOC) or not covered by GHS - none

# SECTION 3: Composition/information on ingredients

3.1 Substances

Synonyms

: 1,4-Dihydrobenzene

Aldrich - 125415

For the full text of the H-Statements mentioned in this Section, see Section 16.

# **SECTION 4: First aid measures**

#### 4.1 Description of first-aid measures

#### **General advice**

Show this material safety data sheet to the doctor in attendance.

#### If inhaled

After inhalation: fresh air. Call in physician.

#### In case of skin contact

In case of skin contact: Take off immediately all contaminated clothing. Rinse skin with water/ shower. Consult a physician.

#### In case of eye contact

After eye contact: rinse out with plenty of water. Call in ophthalmologist. Remove contact lenses.

#### If swallowed

After swallowing: immediately make victim drink water (two glasses at most). Consult a physician.

#### 4.2 Most important symptoms and effects, both acute and delayed

The most important known symptoms and effects are described in the labelling (see section 2.2) and/or in section 11

**4.3 Indication of any immediate medical attention and special treatment needed** No data available

## **SECTION 5: Firefighting measures**

#### 5.1 Extinguishing media

#### Suitable extinguishing media

Foam Carbon dioxide (CO2) Dry powder

Aldrich - 125415

Page 3 of 11

## Unsuitable extinguishing media

For this substance/mixture no limitations of extinguishing agents are given.

## 5.2 Special hazards arising from the substance or mixture

Carbon oxides Combustible. Pay attention to flashback. Vapors are heavier than air and may spread along floors. Development of hazardous combustion gases or vapours possible in the event of fire. Forms explosive mixtures with air at ambient temperatures.

## 5.3 Advice for firefighters

Stay in danger area only with self-contained breathing apparatus. Prevent skin contact by keeping a safe distance or by wearing suitable protective clothing.

### 5.4 Further information

Remove container from danger zone and cool with water. Prevent fire extinguishing water from contaminating surface water or the ground water system.

# **SECTION 6: Accidental release measures**

**6.1 Personal precautions, protective equipment and emergency procedures** Advice for non-emergency personnel: Do not breathe vapors, aerosols. Avoid substance contact. Ensure adequate ventilation. Keep away from heat and sources of ignition. Evacuate the danger area, observe emergency procedures, consult an expert. For personal protection see section 8.

# 6.2 Environmental precautions

Do not let product enter drains. Risk of explosion.

- **6.3 Methods and materials for containment and cleaning up** Cover drains. Collect, bind, and pump off spills. Observe possible material restrictions (see sections 7 and 10). Take up carefully with liquid-absorbent material (e.g. Chemizorb®). Dispose of properly. Clean up affected area.
- **6.4 Reference to other sections** For disposal see section 13.

# **SECTION 7: Handling and storage**

## 7.1 Precautions for safe handling

#### Advice on safe handling

Work under hood. Do not inhale substance/mixture. Avoid generation of vapours/aerosols.

#### Advice on protection against fire and explosion

Keep away from open flames, hot surfaces and sources of ignition. Take precautionary measures against static discharge.

#### **Hygiene measures**

Immediately change contaminated clothing. Apply preventive skin protection. Wash hands and face after working with substance. For precautions see section 2.2.

Aldrich - 125415

Page 4 of 11

# 7.2 Conditions for safe storage, including any incompatibilities

## Storage conditions

Keep container tightly closed in a dry and well-ventilated place. Keep away from heat and sources of ignition. Keep locked up or in an area accessible only to qualified or authorized persons.

Storage stabilityRecommended storage temperature 2 - 8 °C Storage class

Storage class (TRGS 510): 3: Flammable liquids

# 7.3 Specific end use(s)

Apart from the uses mentioned in section 1.2 no other specific uses are stipulated

## SECTION 8: Exposure controls/personal protection

### 8.1 Control parameters

### Ingredients with workplace control parameters

| Component | CAS-No. | Value   | Control         | Basis                          |  |
|-----------|---------|---|-----------------|--------------------------------|--|
| Component | CAS-NO. | value   |                 | Dasis                          |  |
|           |         |   | parameters      |                                |  |
| benzene   | 71-43-2 | TWA   | 0.5 ppm         | USA. ACGIH Threshold Limit     |  |
|           |         |   |                 | Values (TLV)                   |  |
|           | Remarks | Leukemia  |                 |                                |  |
|           |         | Substances  | for which there | is a Biological Exposure Index |  |
|           |         | or Indices (  | see BEI® sectio | n)                             |  |
|           |         | Confirmed   | human carcinog  | en                             |  |
|           |         | Danger of o   | cutaneous absor | ption                          |  |
|           |         | STEL  | 2.5 ppm         | USA. ACGIH Threshold Limit     |  |
|           |         |   | - 1-1-          | Values (TLV)                   |  |
|           |         | Leukemia  |                 |                                |  |
|           |         | Substances  | for which there | is a Biological Exposure Index |  |
|           |         | or Indices (see BEI® section)   |                 |                                |  |
|           |         | Confirmed human carcinogen  |                 |                                |  |
|           |         | Danger of cutaneous absorption  |                 |                                |  |

#### 8.2 Exposure controls

## Appropriate engineering controls

Immediately change contaminated clothing. Apply preventive skin protection. Wash hands and face after working with substance.

## **Personal protective equipment**

#### Eye/face protection

Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166(EU). Safety glasses

#### **Skin protection**

required

#### **Body Protection**

Flame retardant antistatic protective clothing.

#### **Respiratory protection**

Recommended Filter type: Filter type ABEK

The entrepeneur has to ensure that maintenance, cleaning and testing of respiratory protective devices are carried out according to the instructions of the producer. These measures have to be properly documented.

required when vapours/aerosols are generated.

Our recommendations on filtering respiratory protection are based on the following standards: DIN EN 143, DIN 14387 and other accompanying standards relating to the used respiratory protection system.

### **Control of environmental exposure**

Do not let product enter drains. Risk of explosion.

# **SECTION 9: Physical and chemical properties**

### 9.1 Information on basic physical and chemical properties

a) Appearance

Form: clear, liquid Color: colorless

- b) Odor No data available
- c) Odor Threshold No data available

Aldrich - 125415

9.2 Other safety information No data available

# SECTION 10: Stability and reactivity

#### **10.1 Reactivity**

Vapors may form explosive mixture with air.

#### **10.2** Chemical stability

The product is chemically stable under standard ambient conditions (room temperature) .

#### **10.3 Possibility of hazardous reactions** No data available

**10.4 Conditions to avoid** Warming.

Aldrich - 125415

Page 7 of 11

#### **10.5 Incompatible materials** No data available

**10.6 Hazardous decomposition products** In the event of fire: see section 5

## SECTION 11: Toxicological information

## 11.1 Information on toxicological effects

## Acute toxicity

Acute toxicity estimate Oral - > 5,000 mg/kg (Calculation method) Oral: No data available Inhalation: No data available Dermal: No data available No data available

#### Skin corrosion/irritation

Remarks: No data available

Serious eye damage/eye irritation Remarks: No data available

**Respiratory or skin sensitization** No data available

Germ cell mutagenicity No data available

#### Carcinogenicity

- IARC: 1 Group 1: Carcinogenic to humans (benzene)
- NTP: No ingredient of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.
- OSHA: No component of this product present at levels greater than or equal to 0.1% is on OSHA's list of regulated carcinogens.

### **Reproductive toxicity**

No data available No data available

Specific target organ toxicity - single exposure No data available

Specific target organ toxicity - repeated exposure No data available

### **Aspiration hazard**

No data available (Cyclohexa-1,4-diene)

### **11.2 Additional Information**

To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated. (Cyclohexa-1,4-diene)

Stomach - Irregularities - Based on Human Evidence

Aldrich - 125415

Page 8 of 11

#### **SECTION 12: Ecological information**

# 12.1 Toxicity

No data available

- 12.2 Persistence and degradability No data available
- **12.3 Bioaccumulative potential** No data available
- **12.4 Mobility in soil** No data available (Cyclohexa-1,4-diene)
- 12.5 Results of PBT and vPvB assessment PBT/vPvB assessment not available as chemical safety assessment not required/not conducted
- **12.6 Endocrine disrupting properties** No data available
- 12.7 Other adverse effects

# **SECTION 13: Disposal considerations**

### 13.1 Waste treatment methods

#### Product

Waste material must be disposed of in accordance with the national and local regulations. Leave chemicals in original containers. No mixing with other waste. Handle uncleaned containers like the product itself.

## **SECTION 14: Transport information**

## DOT (US)

UN number: 3295 Class: 3 Packing group: II Proper shipping name: Hydrocarbons, liquid, n.o.s. Reportable Quantity (RQ): 333 lbs Reportable Quantity (RQ): 10 lbs Poison Inhalation Hazard: No

## IMDG

UN number: 3295 E, S-D Aldrich - 125415 Class: 3

Packing group: II EMS-No: F-

Page 9 of 11

Proper shipping name: HYDROCARBONS, LIQUID, N.O.S.

# ΙΑΤΑ

UN number: 3295 Class: 3 Packing group: II Proper shipping name: Hydrocarbons, liquid, n.o.s.

# SECTION 15: Regulatory information

## **CERCLA Reportable Quantity**

| Components | CAS-No. | Component<br>RQ (lbs) | Calculated product<br>RQ (lbs) |
|------------|---------|-----------------------|--------------------------------|
| benzene    | 71-43-2 | 10                    | 333                            |
| benzene    | 71-43-2 | 10                    | 10 (D018)                      |

## SARA 304 Extremely Hazardous Substances Reportable Quantity

This material does not contain any components with a section 304 EHS RQ.

## SARA 302 Extremely Hazardous Substances Threshold Planning Quantity

This material does not contain any components with a section 302 EHS TPQ.

| SARA 311/312<br>Hazards | : | Fire Hazard<br>Acute Health Hazard<br>Chronic Health Hazard<br>The following components are subject to reporting<br>levels established by SARA Title III, Section 313: |         |              |
|-------------------------|---|--|---------|--------------|
| SARA 313                | : |  |         |              |
|                         |   | benzene  | 71-43-2 | >= 1 - < 5 % |

### US State Regulations

### Massachusetts Right To Know

No components are subject to the Massachusetts Right to Know Act.

#### **Maine Chemicals of High Concern**

Product does not contain any listed chemicals

## Vermont Chemicals of High Concern

Product does not contain any listed chemicals

### Washington Chemicals of High Concern

Product does not contain any listed chemicals

### The ingredients of this product are reported in the following inventories:

TSCA : All substances listed as active on the TSCA inventory

### **TSCA list**

No substances are subject to a Significant New Use Rule.

No substances are subject to TSCA 12(b) export notification requirements.
