

Privacy Policy

Privacy

This privacy policy (the “Policy”) describes how we collect and use your information. This Policy applies to data you provide us when you access or use the Site and purchase Globe products or services. Globe may modify this Policy from time to time effective upon its posting. It is important that you review the Policy often. This Policy is incorporated into, and is subject to, the [Terms](#).

Collection of Non-Personal Information

We may collect non-personally identifiable information regarding your visit to the Site. We may utilize third party software to collect this information and reserve the right to change our data collection methods, providers and/or software, at any time in our sole discretion. If you do not want such non-personally identifiable information collected, it may be possible for you to adjust settings on the electronic equipment you use to access the Site (e.g., a stationary or mobile computer, phone or tablet) (your “Device”). However, We cannot guarantee that such settings may be changed or will be effective and you assume all risks associated with your access to the Site.

Collection of Personal Information

We may also collect Personal Information about you. By “Personal Information”, we mean information that can be used to identify a specific individual.

Personal Information may include device identifiers, IP addresses, or “cookies” (“Cookie Data”). This type of information, if collected, is collected through our “Tracking Technologies” described below. Other Personal Information is what you provide to us when registering for a service or purchasing a product.

Other Personal Information is what you provide to us when registering for a service or purchasing a product. Your information is shared with third parties that assist in carrying out a permitted purpose.

By using the Site and providing any information to us, you are acknowledging that the Site is not a secure site and that data transmissions via email, upload through a network or on Site forms are inherently insecure. We will not intentionally disclose your Personal Information, but we cannot

control and will not be liable for interference by third-parties. You agree not to provide any information through the Site or email that you would not want shared with others.

How We Use Personal Information.

We will use your Personal Information to enable us to provide the service or product indicated when you provided the information. We may use your Personal Information to identify you when you visit our Site, to improve the operation and usefulness of our Site, to enable us to improve our services and products, and comply with applicable laws and law enforcement.

Users have the opportunity at any time to remove themselves from our communications by responding to the opt-out information provided on our Site or in our emails, or by contacting us using the contact information provided below.

How We Protect Personal Information

Personal information collected via the Site may be stored and processed in the United States and/or any other country in which we maintain facilities, and by using the Site, you consent to any such storage, processing and transfer of information into and out of your country, state, and/or territory.

Generally accepted standards are used to protect the Personal Information submitted to us, both during transmission and once we receive it. No method of transmission over the Internet, or method of electronic storage, is 100% secure, however. Therefore, we cannot guarantee its absolute security and cannot be liable for security breaches

Tracking Technologies

We may use technologies such as cookies, beacons, tags, and scripts, to analyze trends, administer the Site, track users' movements around the Site, and to gather demographic information about our user base as a whole. We may receive reports based on the use of these technologies by these companies on an individual and aggregated basis.

In addition to the other uses of Personal Information described herein, we use cookie data to remember users' settings (e.g., language preference), and for authentication. Users can control the use of cookies at the individual browser level. If you reject cookies, you may still use our Site, but your ability to use some features or areas of our Site may be limited.

Data Retention

400 CORPORATE DRIVE • MAHWAH, NEW JERSEY 07430 • TELEPHONE 201-599-1400 • FAX 201-599-1406

You may request that we delete your Personal Information and after such request, we will retain and use your Personal Information only as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements.

We may disclose your information: (1) if we determine a violation of the Terms has occurred; (2) if we believe such disclosure is necessary to identify or bring legal action regarding or prevent injury or interference with our rights or the rights of another user of the Site; (3) to respond to legal process or as otherwise required by law; and (4) to assist us in fraud protection or investigation.

You understand that information received from you may be used by us for any or all of the reasons described herein.

WE WILL NOT HAVE ANY LIABILITY WHATSOEVER FOR ANY DATA BREACH OR UNAUTHORIZED ACCESS TO USER CONTENT OR OTHER INFORMATION ON OR SUBMITTED THROUGH THE SITE.

Except as otherwise required by law, any information submitted by you on the Site or in connection with your use of the Site, is not considered and will not be treated as confidential.

Children's Privacy

We do not knowingly collect or solicit personal information from minors and you represent and warrant that you are not providing any information about a minor.

Additional Policy Provisions for California Residents

This section ("CCPA Section") supplements the information contained in the Policy and applies solely to users of the Products and Services who are residents of the State of California. We adopt this notice to comply with the California Consumer Privacy Act of 2018 ("CCPA") and other California laws. Any terms defined in the CCPA have the same meaning when used in this CCPA Section.

Personal Information for purposes of the CCPA Section is information that identifies, relates to, describes, references, is capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular consumer or device (“CCPA Personal Information”). CCPA Personal information does not include (a) Publicly available information from government records; (b) Deidentified or aggregated consumer information; or (c) information which is not within the scope of CCPA.

We have collected the following categories of CCPA Personal Information within the last twelve (12) months:

Category

Examples

Collected

A. Identifiers.

A real name, alias, postal address, unique personal identifier, online identifier, Internet Protocol address, email address, account name, Social Security number, driver's license number, passport number, or other similar identifiers

No

H. Sensory data

Audio or visual information.

No

I. Employment related information

Employment status or history

No

J. Non-public education information under the Family Educational Rights and Privacy Act (20 U.S.C. Section 1232g, 34 C.F.R. Part 99))

Education records directly related to a student maintained by an educational institution

No

K. Inferences from other personal information

Profile reflecting a person's preferences

No

We obtain such CCPA Personal Information from you directly or from third parties you have authorized or are necessary to provide Products or Services you have requested, and/or indirectly through Tracking Technologies. We may use or disclose CCPA Personal Information for the reasons described in the Policy. We will not collect or use CCPA Personal Information other than as disclosed pursuant to the Policy including this Section without notice to you.

Where we have disclosed CCPA Personal Information to a third party for the purposes described in the Policy or this Section, we require such third parties to treat such CCPA Personal Information confidentially and only for the purposes we have disclosed to you.

CCPA provides California Residents with specific rights regarding their CCPA Personal Information, specifically California Residents:

- Have the right to request disclosure of our collection and use of your CCPA Personal Information in the preceding 12 months:
 - Which categories of your CCPA Personal Information we have collected
 - Why we collected your CCPA Personal Information
 - With which categories of third parties we have shared your CCPA Personal Information
 - The specific CCPA Personal Information of yours that we collected
- Have the right to request deletion of your CCPA Personal Information that we possess

We will respond to verified requests from California Residents pursuant to the CCPA and fulfill such requests in compliance with the law, including any exceptions that may apply such as when the CCPA Personal Information is necessary to:

- Fulfill our obligations with respect to the Products or Services you have requested or another legal obligation
- Protect against cybersecurity threats, fraudulent or illegal activity
- Avoid damage to, maintain and repair our Products or Services
- The exercise of free speech or other rights protected under the law
- Comply with the California Electronic Communications Privacy Act (Cal. Penal Code § 1546 seq.)
- The completion of scientific, historical, or statistical research you previously consented to which is in the public interest and in compliance with law
- Our right to use such information for internal purposes consistent with consumer expectations given the nature of our relationship with you or compatible with the context in which you provided your CCPA Information

You may exercise your CCPA rights described above and as otherwise provided under the law by submitting a verifiable CCPA request to the contact specified in the Policy for any privacy concerns. Such a request must be:

- Made by you or your registered agent authorized pursuant to California law, on your behalf or on behalf of your minor child
- Made no more than twice in any 12-month period
- Provide information sufficient to reasonably verify the CCPA Personal Information is yours or is your minor child's CCPA Personal Information
- Provide sufficient detail to allow us to evaluate the request and our legal obligations and rights under the law

We will respond to verifiable CCPA requests in accordance with the requirements of the law, and reserve all of our rights under such law.

We will not discriminate against you for exercising your CCPA rights as a California Resident, and will not deny access to Products or Services in the manner provided to all users of such Products or Services except as permitted by the CCPA.

This Section is incorporated into the Policy for California Residents only and may be amended in our discretion except to the extent otherwise required by law.
